ORIMAE COOKIE POLICY

Version: 1.0
Effective from: 2 October 2026

1. About this Cookie Policy

This Cookie Policy explains how ORIMAE Ltd uses cookies and similar technologies on www.orimae.com.

It should be read alongside our Privacy Policy, which explains more generally how we use personal information.

In this Policy, "ORIMAE", "we", "us" and "our" mean ORIMAE Ltd.

---

2. What are cookies?

Cookies are small text files placed on your computer, smartphone, tablet or other device when you visit a website.

They allow websites to recognise a device and can be used for purposes such as:

- **providing essential website functions;**
- **remembering preferences;**
- **understanding how visitors use a website;**
- **improving website performance; and**
- **supporting advertising or marketing functions.**

Similar technologies may also store or access information on your device. References to cookies in this Policy include these technologies where appropriate.

---

3. How we use cookies

The ORIMAE website uses cookies and similar technologies to help:

- **operate the website securely;**
- **provide essential website functions;**

- **remember choices or preferences;**
- **understand how visitors use the website;**
- **measure website performance;**
- **improve our website and services; and**
- **support marketing functionality where you have consented.**

We do not use non-essential cookies unless we have the consent required by law.

---

4. Our cookie consent system

ORIMAE uses a Usercentrics consent-management system through Wix to manage cookie preferences.

When you first visit our website, you are shown a cookie-consent notice.

Depending on the cookies and services in use, you may be able to:

- **accept all cookies;**
- **reject non-essential cookies;**
- **allow or reject individual categories; or**
- **change your preferences later.**

Non-essential cookies and scripts should not be activated through our consent system until the necessary consent has been provided.

Your choices may themselves be stored so that the website can remember your cookie preferences.

---

5. Categories of cookies

Our website may use the following categories.

Essential cookies

Essential cookies are required for the basic operation, security and functionality of the website.

They may be used for purposes such as:

- **maintaining website security;**
- **managing sessions;**
- **remembering cookie-consent choices;**
- **enabling forms or essential site functions; and**
- **ensuring pages load correctly.**

Because these cookies are necessary for the website or service requested by you to function, they do not normally require consent.

They cannot usually be disabled through our cookie-preference system.

Functional cookies

Functional cookies allow the website to remember information or provide enhanced functionality.

They may be used for purposes such as:

- **remembering preferences;**
- **supporting embedded website features;**
- **improving how certain website components operate; or**
- **providing functionality offered by third-party services.**

Where required by law, these cookies are only used with your consent.

Analytical cookies

Analytical cookies help us understand how visitors use the ORIMAE website.

They may collect information about matters such as:

- **pages visited;**
- **time spent on pages;**
- **how visitors reach the website;**
- **how visitors move around the site;**
- **devices or browsers used; and**
- **website performance.**

We use this information to understand website usage and improve the site and our services.

Where required by law, analytical cookies are only used with your consent.

Marketing cookies

Marketing cookies and similar technologies may be used to:

- **measure advertising performance;**
- **understand responses to marketing campaigns;**
- **support advertising services;**
- **recognise visitors across websites; or**
- **help deliver advertising that may be more relevant to users.**

Where required by law, marketing cookies are only used with your consent.

---

6. Cookies used on our website

The exact cookies and similar technologies used on our website may change over time as we update:

- **Wix services;**
- **website functionality;**
- **analytics;**
- **integrations;**
- **marketing tools; or**
- **other third-party services.**

Our Usercentrics consent-management platform provides up-to-date information about the services and categories detected on our website.

You can view further information about the cookies and services currently in use by opening the cookie settings on our website.

This may include information such as:

- **the provider;**
- **purpose;**
- **category;**
- **storage duration; and**
- **technology used.**

---

7. Third-party services

Some cookies may be set or accessed by third-party providers whose technology is used on our website.

Depending on the services we use, these may include providers connected with:

- **Wix website functionality;**
- **website analytics;**
- **embedded content;**
- **marketing services;**
- **social media;**

- **forms; or**
- **other website integrations.**

These providers may process information in accordance with their own privacy policies.

Where a third-party service uses non-essential cookies, we aim to ensure that those cookies are not activated until the necessary consent has been provided through our consent-management system.

---

8. Wix and Usercentrics

Our website is built using Wix.

We use the Usercentrics for Wix consent-management platform to help identify website components and manage visitors' cookie choices.

This system may itself use essential technologies necessary to:

- **display the cookie banner;**
- **record your consent preferences; and**
- **ensure that your selections are respected.**

Information about individual services detected on our website can be viewed through the cookie-preference interface.

---

9. Changing or withdrawing your consent

You can change your cookie preferences at any time using the cookie-settings facility available on the ORIMAE website.

You can:

- **withdraw consent previously given;**
- **reject categories that you previously accepted; or**
- **allow categories that you previously rejected.**

Changing your consent does not make previous processing unlawful where that processing was based on valid consent at the time.

Withdrawing consent may mean that some website features or third-party services no longer function as intended.

---

10. Browser controls

Most web browsers also allow you to control or delete cookies through their settings.

Depending on your browser, you may be able to:

- **block cookies;**
- **delete existing cookies;**
- **receive warnings before cookies are stored; or**
- **restrict cookies from particular websites.**

Blocking all cookies may affect the operation of some websites, including parts of the ORIMAE website.

Browser controls operate separately from our website cookie-consent system.

---

11. Personal information collected through cookies

Some cookies and similar technologies may involve the processing of personal information, such as:

- **IP addresses;**
- **device identifiers;**
- **browser information;**
- **online identifiers; or**
- **information about website activity.**

Where personal information is processed, our Privacy Policy also applies.

Our Privacy Policy explains:

- **why we use personal information;**
- **our lawful bases;**
- **who information may be shared with;**
- **how long information may be retained; and**
- **your data-protection rights.**

---

12. How long cookies remain on your device

Cookies may be either:

Session cookies

These generally expire when you close your browser.

Persistent cookies

These remain on your device for a specified period or until you delete them.

The duration depends on the particular cookie and provider.

Current storage periods for cookies and similar technologies used on our website can be viewed through our cookie-settings interface where that information is available.

---

13. Updates to this Cookie Policy

We may update this Cookie Policy from time to time where:

- **our website changes;**
- **new services or technologies are introduced;**
- **cookie usage changes; or**
- **legal or regulatory requirements change.**

We may also periodically scan and review the website to identify cookies and similar technologies in use.

The current version of this Policy will be available on our website.

---

14. Contact us
